MOTT CHILDREN'S HEALTH CENTER ANNOUNCES THE LAUNCH OF A NEW PEDIATRIC REHABILITATION PROGRAM INCLUDING PHYSICAL, OCCUPATIONAL AND SPEECH THERAPY

FLINT, MICHIGAN [March 16] – Mott Children's Health Center is pleased to announce the launch of our new pediatric rehabilitation program including Physical Therapy, Occupational Therapy and Speech Therapy.

The rehabilitation program joins Mott's existing programs in pediatrics, behavioral health, dental, audiology, cardiology, and lipid disorders. Mott Children's Health Center is a pediatric center of excellence providing a broad range of healthcare services to eligible children in Genesee County.

"We are excited to offer these much-needed therapy and rehabilitation services in our family-friendly building in Flint" said Todd Wiseley, president and CEO, Mott Children's Health Center. "Having our rehabilitation services located in our incredible facility gives the community the opportunity to receive services for rehabilitation, health and wellness, dental and other services all under one roof."

"We are incredibly proud of our Board and our team for supporting this important expansion of our services during the COVID-19 pandemic," said Jeff House, Director of Child & Adolescent Health Services at Mott. "It is a testament to their commitment to the children of Genesee County."

The new pediatric rehabilitation clinic opened in Sept. 2020, and was welcomed to new space in the Mott Children's Health Center building on Mar. 1, 2021. Access to care is easy and available through a referral by a primary care physician.

Pediatric Rehabilitation

Physical, Occupational and Speech Therapy

Rehabilitation Services for children ages 0-18 in our family-friendly facility in Flint, Michigan.

Goal:

Treatment that mimics play in our engaging treatment room in our family-friendly facility in Flint. Experienced pediatric therapists connect with patients one-on-one and engage with the family to ensure they have the resources they need to work with their child's rehabilitative needs. The child's physicians, parents, caregivers and teachers are included in the treatment plan to facilitate optimal outcomes. Our therapists work closely with each patient to create individualized recovery plans using customized treatment techniques and exercises. Children gain functional skills for play, school tasks and other daily activities.

What we offer:

Physical Therapy:

- ◆ Assistive Device Assessment and Training
- ◆ Body Weight-Supported Functional Training
- ◆ Serial Casting
- ◆ Gait, Motor, and Movement Development

Occupational Therapy:

- ◆ Sensory Modulation
- ◆ Constraint Induced Movement Therapy & Splinting
- ◆ Adaptive Equipment Assessment and Training
- ◆ Fine Motor & Handwriting Skills
- ◆ Activities of Daily Living (ADLs) Training

Speech Therapy:

- ◆ Feeding Difficulties & Oral Aversion
- ◆ Augmentative and Alternative Communication (AAC) Assessment and Training
- ◆ Speech Production, Articulation, Fluency/Stuttering, and Voice
- ◆ Social Skills
- ◆ Pre-Linguistic Communication
- ◆ Language-Based Literacy

Accepting referrals from throughout Genesee County. Patients do not have to be patients of Mott Children's Health Center to be seen in the Pediatric Rehabilitation Clinic
