MOTT CHILDREN'S HEALTH CENTER, CHILDREN'S HOSPITAL OF MICHIGAN and TENET HEALTHCARE ANNOUNCE COLLABORATION FOR PEDIATRIC EAR, NOSE AND THROAT CLINIC IN FLINT

FLINT, MICHIGAN [May 26, 2022] – Mott Children's Health Center, Children's Hospital of Michigan and Tenet Healthcare are pleased to announce an expansion of their collaboration with the launch of a pediatric ear, nose, and throat clinic within the Mott Children's Health Center in Flint to serve the children of Genesee County.

Mott Children's Health Center (MCHC) provides medical, dental, behavioral health and rehabilitation services to eligible children in Genesee County. Children's Hospital of Michigan provides pediatric medicine, surgery, research, and training through a variety of locations throughout Michigan. This collaboration brings pediatric ENT services to the Mott Children's Health Center campus.

"We are excited to expand the services we provide as a pediatric center of excellence in Genesee County with the addition of our new ENT clinic," said Todd Wiseley, President and CEO, Mott Children's Health Center.

"Children's Hospital of Michigan and Tenet Healthcare are pleased to collaborate with Mott Children's Health Center in expanding care for the children of Flint and Genesee County through our new ENT clinic," said Kathy Donovan.

The new pediatric ENT clinic opened in May 2022 and is located within Mott Children's Health Center at 806 Tuuri Place, Flint, Michigan.

About Children's Hospital of Michigan:

For more than 130 years, the Children's Hospital of Michigan is the first hospital in the state dedicated exclusively to the treatment of children. With more than 40 pediatric medical and surgical specialties and services, it is ranked one of America's best hospitals for children and sees more children than any hospital in the state. More Michigan pediatricians are trained at the Children's Hospital of Michigan than at any other facility. Children's Hospital of Michigan is one of eight hospitals operated by the Detroit Medical Center (DMC).
