#### **MOTT CHILDREN'S HEALTH CENTER SELECTED AS ONE OF THE BEST NONPROFITS TO WORK FOR IN THE NATION FOR SECOND YEAR IN A ROW**

FLINT, MICHIGAN April 1, 2022 – Mott Children's Health Center is thrilled to announce it was recently selected as one of the 2022 *Best Nonprofits To Work For*. This is the second year in a row the Center has been awarded this prestigious designation. *The NonProfit Times*, the leading national business publication for nonprofit leaders, has partnered with Best Companies Group to identify nonprofit organizations where leaders have excelled in creating quality workplaces.

This survey and awards program is designed to identify, recognize, and honor the best employers in the nonprofit industry, benefiting the industry's economy, workforce, and businesses. The list is made up of 50 organizations. The criteria for making the list are entirely from existing employees providing feedback via online surveys.

"We are honored to once again be included among the 50 best nonprofits to work for in the nation," said President and CEO Todd Wiseley. "Our award-winning culture is a reflection of the passion and dedication of our employees to serve the children of Genesee County with excellence."

Mott Children's Health Center has been serving the children of Genesee County for over 80 years as a pediatric center of excellence. Programs include pediatric medical, dental, behavioral health, audiology, rehabilitation (physical therapy, occupational therapy and speech and language pathology), ear nose and throat, cardiology and lipid disorder services.

"We are proud of the culture our team has created together," MCHC Human Resources Manager Bridget Essa said. "We have always strived to be an employer of choice in Genesee County, and this outside recognition affirms our role as great place to work."
